MEMORANDUM FOR: Chief, WH

SUBJECT : Memorandum Report

The Caribbean Legion -- Luperon Landing

REFERENCE :

25X1A2g

1. The enclosed memorandum report comprises the sum of unclassified data which we have been able to assemble regarding the Caribbean Legion, in response to your request of 1 March. The examination is limited to the question of Guatemala's official or semi-official tolerance and support of this armed force during the period when it was based on Guatemalan soil and launched an attack from that point against the Dominican Republic.

2. Most of the information herein is quoted from the official report of the Investigating Committee of the Organization of American States, published in the Annals of the OAS, Vol. II, No. 3, 1950. Copies of this report, in English and in Spanish, are attached for your convenience.

3. We also append a memorandum incorporating certain items of classified information supporting the conclusions of the OAS.
